Sir:

This paper is in response to the Official Action mailed on July 26, 2005. Payment for two months' extension of time is attached. Please charge our Deposit Account No. 18-0002 if any additional fees are needed to enter this paper, and please advise us accordingly. It is noted that no petition is required because of the authorization to charge, but this paper is a petition for extension of time.

In response to the outstanding office action:

[5-6] Claims 1 was rejected under §112, first paragraph, because the specification allegedly does not disclose converting from one coordinate system to another. This rejection is respectfully traversed.

Converting from one coordinate system to another is taught in every college and often in high school. It is a technique widely used in many branches of engineering, in physics, and elsewhere. Attached are pages from Schaum's Outline (sold in every bookstore) with formulas
